Note : New registration statistics in our publication include sales figures of mini vehicles which are not registered.

As of January 2003, vehicle categories for New Registrations-Sales are number plate-based rather than chassis-based.

As of January 2005, Japanese-make motor vehicles produced overseas and imported into the domestic market are included in manufacturers' data, where applicable.

Note : Figures in brackets are diesel cars and included in the main figures.

* For years up to 1989, figures are given classified by 550 cc & less and 551~1,000cc respectively.

As of January 2004, vehicle categories for New Registrations-Sales are number plate-based rather than chasis-based.

As of January 2005, Japanese-make motor vehicles produced overseas and imported into

the domestic market are included in manufacturers'data, where applicable.
